# TRAVEL CHARGING STATION

## CHARGE . ON THE GO

Tired of all untangling all the tangled cables?  
Tired of making sure no cables are being left in your hotel room?  
Tired of bringing multiple chargers for all your gadgets for your business trip?

The Konnext™ Travel Charging Station is your perfect solution.

The Konnext™ Travel Charging Station featuring 3-Port USB charging hub with universal Hi-Power AC/DC power adapter that ensure you connectivity no matter which part of the world you are heading. Charge up to 3 devices simultaneously with the Hi-Power AC/DC power adapter which gives max. 2.1A of power to ensure fast charging for your iPad, iPhone, Android devices, Bluetooth headsets etc...

Unlike most charging stations which use special connectors and adapters, the Konnext™ Travel Charging Station was designed to use with the factory USB charging cable that comes with your devices. Together with the built-in cable management system and storage compartment, eliminating the annoying cable mess and provide additional storage space at the same time.
