Never leave a cable behind

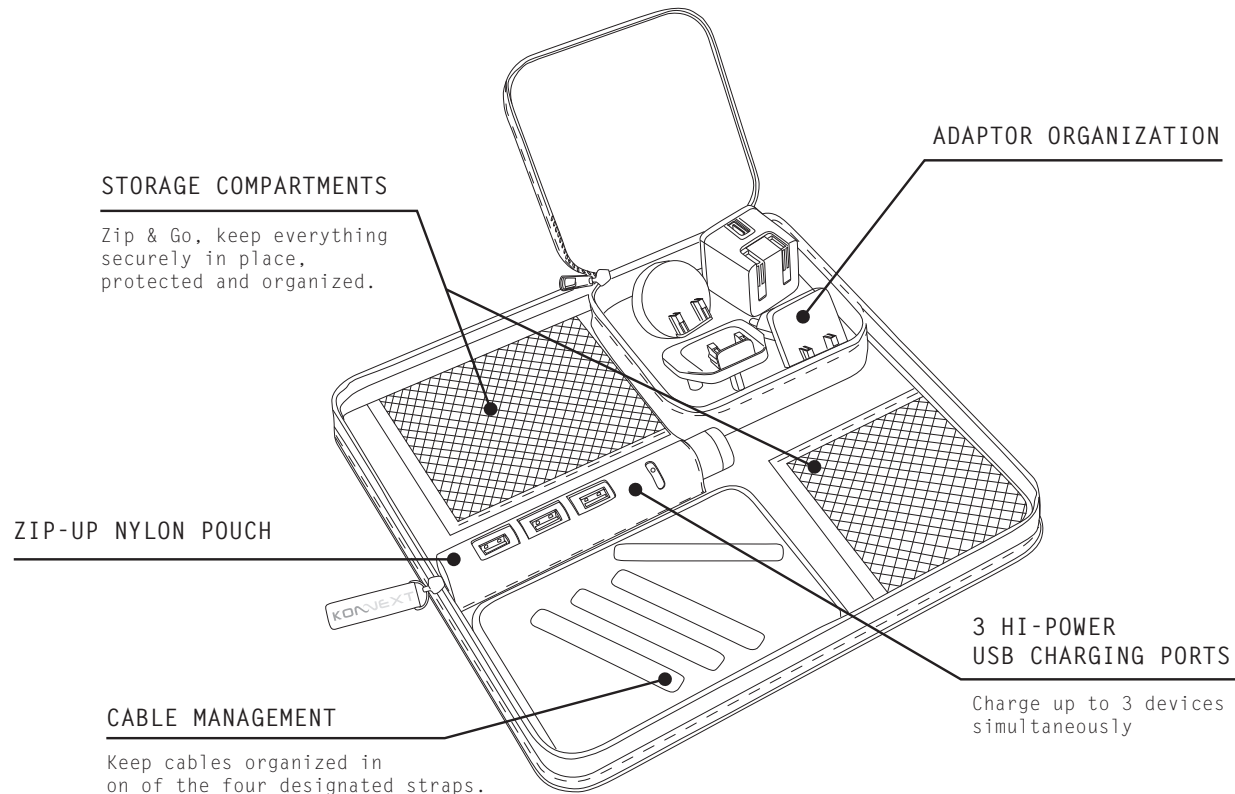

KONNEXT™

Tired of all untangling all the tangled cables?
Tired of making sure no cables are being left in your hotel room?
Tired of bringing multiple chargers for all your gadgets for your business trip?

The Konnext™ Travel Charging Station is your perfect solution.

The Konnext™ Travel Charging Station featuring 3-Port USB charging hub with universal Hi-Power AC/DC power adapter that ensure you connectivity no matter which part of the world you are heading. Charge up to 3 devices simultaneously with the Hi-Power AC/DC power adapter which gives max. 2.1A of power to ensure fast charging for your iPad, iPhone, Android devices, Bluetooth headsets etc...

Unlike most charging stations which use special connectors and adapters, the Konnext™ Travel Charging Station was designed to use with the factory USB charging cable that comes with your devices. Together with the built-in cable management system and storage compartment, eliminating the annoying cable mess and provide additional storage space at the same time.

Product Features:

- Zip & Go, never leave a cable behind
- Universal AC/DC Charger, works in over 150 countries
- 3 x Hi Power USB Charging Port
- Extra storage compartments
- Convenient cable management, no more tangled cable

Technical Specifications:

AC Input Power	: 100 - 240Vac
USB Output Power	: 5Vdc = 2.1A
Power Consumption	: CEC Level 5
Product Dimensions	: 290 x 140 x 30 mm
Product Weight	: 380g

AdapterOne™ PS portable power strip series &
PA universal travel adapter charger series

Protect • Charge • Adapt • Expand • Anywhere

The new AdapterOne™ PS & PA series keep you connected in over 150 countries. The unique one piece design offers extraordinary travel convenience and the new "Twist & Release" mechanism allows user to select 4 different socket styles effortlessly. The AdapterOne™ equips with built-in universal USB charger, universal AC outlet, the new SmartPlug™ Direct AC Slot and the optional Surge Protection circuit will also provide protection to any harmful surge and spikes from your electronics.

Combining all these features, the new AdapterOne™ PS & PA series are probably the most features packed and safest travel power solution in the world.
